

Ordinary takes a lot.

For the people who look after
a school.

A conversation about your people and
your place.

Independent speculative presentation / Jason Walker

Your team carries the responsibility.

A visitor at the front desk. A question about an entry. A drill that needs everyone to know their part.

The context for your next step.

Review relevant video. Connect the event to the place. Bring designated colleagues into the conversation.

A shared practice

- 01 Notice the drill
- 02 Review the context
- 03 Coordinate the team
- 04 Learn from the record

The school you have today

Which cameras and locations?
Who needs access?
What should connect?
How will your team learn it?

See it in the context of your school.

Bring your locations, your current setup, and the questions your team needs answered.
